The Cheyenne Country Club prides itself in being a family oriented club and thus offers programs for children including the Swim Team, Junior Golf and Junior Tennis.

Whatever your pleasure, the Cheyenne Country Club has you covered!

Swimming

Our Olympic-sized swimming pool is open from Memorial Day to Labor Day each year and offers a wonderful family recreational experience. The Cheyenne Country Club pool is fully staffed with professional life guards and swimming instructors capable of providing swimming lessons for the entire family. Seasonal dining poolside is also a special treat for aquatic lovers. The pool may also be reserved for that special event with arrangements being made for poolside dining.

Golf

If golf is your passion, our par 72 golf course provides a rewarding and accommodating game for players of all skill levels from the novice to the more seasoned player. Premier conditioned fairways await those who accept the challenge! Members play the game as it is intended, without the distraction of intrusive residential development, commercial enterprise or annoying traffic.

The golf Pro Shop carries a wide array of men's and women's golf apparel as well as golf equipment. Club storage and lockers are other amenities offered at an additional cost.

Tennis

For tennis enthusiasts, we offer three lighted courts and two additional courts, all that create a pleasing environment for tennis players and spectators. Experienced and highly trained tennis staff professionals offer lessons, clinics, and drills for beginners to tournament level players of all ages. Members enjoy this lifetime sport as they increase their playing abilities by participating in the many group, tournament and team activities promoted by our tennis professionals.
