The Cheyenne Country Club was established in 1916 and enjoys a rich history full of tradition. The Club is one of the very oldest in the State. The Cheyenne Country Club is a full service private club that offers fine dining, golf, tennis and swimming. Due to the geographical location of the Club, some of these amenities are seasonal, but members enjoy an experience that cannot be found anywhere else in the local area. The Club boasts over 400 Full Members and over 150 Social Members (swimming, tennis and Clubhouse only). Historically, the Club has been recognized for the best golf experience in the Cheyenne area, the best culinary experience available in town, a great family atmosphere and a highly tenured and professional staff.

Cheyenne Country Club Golf

The Cheyenne Country Club prides itself in having one of the finest 18 hole, par 72 golf courses in the area. The Club's Board of Directors continues to upgrade the course. In 2014, a new chipping green and putting area as well as new cart paths were built. The golf course provides a rewarding and accommodating game for players of all skill levels from the novice to the more seasoned player. Premier conditioned fairways await those who accept the challenge. Members play the game as it is intended, without the interference of intrusive residential development, commercial enterprise or distracting traffic.

The Golf Shop carries a wide array of top of the line men's and women's golf apparel as well as golf equipment. Club care, storage and lockers are also offered at an additional cost.

Junior golf is also available for your sons and daughters ages 8 to 17.

Our professional golf staff provides individual lessons to all members and children of every age and experience level.

Cheyenne Country Club Tennis

For tennis enthusiasts, we offer three lighted tennis courts and two additional unlit courts. The unlit courts have blended lines to accommodate 10 & under play. The five courts together create a pleasing environment for tennis players of all ages and abilities. The Tennis Shop offers re-stringing and re-gripping services with tennis equipment available for purchase. The Tennis Shop also has loaner racquets available for use of the membership.

Experienced, certified and highly trained tennis staff professionals offer lessons, clinics and drills for beginners to tournament level players of all ages. Members enjoy this lifetime sport as they increase their playing abilities by participating in the many group, tournament and team activities promoted by the Cheyenne Country Club.

Tennis lessons either as a group or as an individual are offered with junior tennis available for your sons and daughters ages 5 to 18.

Cheyenne Country Club Swimming

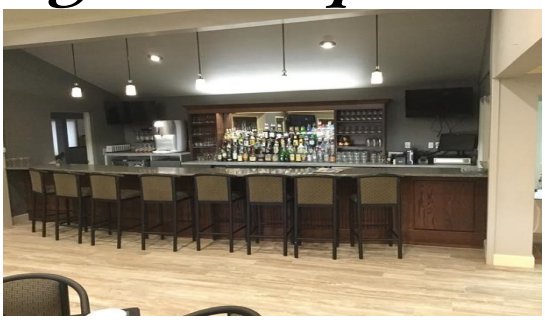
Our Olympic sized swimming pool and wading pool is open from Memorial Day to Labor Day each year (*weather permitting*) and offers a wonderful family recreational experience. The Cheyenne Country Club pool is fully staffed by certified lifeguards and professional swimming instructors capable of providing swimming lessons for the entire family.

Additionally, there are swim meets for the junior swimmer to compete with swimmers from the surrounding area. The pool hosts Movie Nights during the Summer giving families a pleasant evening poolside with snacks, beverages and a good film for all to enjoy.

Seasonal poolside dining is available with delicious menu options offered from the Clubhouse restaurant, bar and pool snack shack.

The pool may also be privately reserved for that special event with arrangements made with the Clubhouse Manager. Newly renovated men's and women's locker rooms are also available.

Cheyenne Country Club Dining & Banquets



Our highly skilled chef and professional kitchen staff create diverse lunch and dinner menus as well as weekend breakfasts and a wonderful Sunday Brunch for your dining pleasure. From center-cut beef and fresh fish to homemade soups and desserts, you will find the experience to be the best in the Tri-State area. The dining room staff prides itself in giving outstanding service and ensures that your dining needs are exceeded every time.

From Fall to Spring, the Clubhouse hosts a variety of events including ethnic featured cuisine nights every month, comedy nights for your pleasure and holiday Club events such as Thanksgiving, Easter and Mother's Day Brunches. During the busy Summer months, the Clubhouse bustles with longer days, outside dining area options and both the pool snack shack and golf snack shack open up to serve the membership. With exquisite menus, high quality service, festive décor and elegant presentation, events of every kind and size are destined for success at the Cheyenne Country Club.

The Clubhouse has five different dining rooms to meet your needs. Different restaurant areas and separate banquet rooms give the right ambiance for your dining experience. In 2014, we built a new outside deck area for casual seasonal dining that overlooks the first tee on the golf course and promises beautiful sunsets to pair perfectly with your meal. Also in 2014, a new fire pit was constructed on the West side of the Club. Just off the deck, it is available to enjoy your favorite beverage or cigar with your friends and provides a wonderful atmosphere for all.

For any occasion and for every type of event, the Cheyenne Country Club will create memorable moments for you and your guests. Weddings, birthdays, special ceremonies, anniversaries, fundraisers, business meetings and holiday parties are just a few of the events that we can make special for you.. The Club offers state-of-the-art audio/video equipment to give any business meeting a stunning presentation. Although you do not have to be a member to have your next event at the Club, members do enjoy priority scheduling. To find out more about our membership programs or get the ball rolling on your next special event, please give us a call today.
